EXPLANATION OF RELEVANCE

References AU through AY were identified and discussed in the present specification, and Applicants stand by the statements in the specification concerning the teachings of these references. Translations of References AW

20 and AX are not readily available to the Applicants, however, the aforementioned statements in the specification constitute a summary of their teachings.

The remaining references were cited during earlier PCT examination.

Copies of each of the above references together with Form 1449 are

25 submitted herewith.

This Information Disclosure Statement is being filed simultaneously with the present application, and is therefore in compliance with 37 C.F.R. §1.97(b)(1), and no fee is necessary.

All claims of the application are submitted to be patentable over the teachings of the above references, taken singly or in combination. Early consideration of the application is therefore respectfully requested.

Submitted by,

Steven H. Noll
